After Caring these around for ALMOST 7 Years they have Finally been Scanned- they Finally Stole Leslie's rent on September 3'rd 2010, rent that was Mailed USPS Certified Mail Return Reciept, at the Dearborn City Hall Post Office, leslie Used Online USPS Track and Confirm for 6 Months tracking the Delivery status of it and after 6 Months she just gave up tracking it (IT STILL HADNT been Delivered) – I suggest you also notice How Krogers is mentioned in one of them – Krogers owns Ralphs,also you clearly see in these Notaries that leslie was complaining about being Gang Stalked at this Apartment you also clearly see how she stated that the Homelessness whould be created thru stealing the rent thru the Mail and ITS EXACTLY what they did STAY Tuned- you will also notice AA, mentioned in at least one of the Notaries
