

Since the previous method no tactics of the gang stalkers & perpetrators that are mentioned in Emails, blogs, timeline are no longer working, they will eventually resort back to using homelessness, which they will create, this creation will be carried out thru either tactics mentioned in previous notaries emails, sections of the timeline, blogs - or in the following tactic which is as follows. They will use the excuse the money order got lost in the mail or that it was in the Post office envelope. This envelope will be insured - the effort will be to keep the money order & to keep the cycle of Association of Provocation alive by creating homelessness again with tactics that will be continuous while this effort is transpiring - Today's date is January 05 2010. The tactics listed in this notaries will happen before April & May 2010 at 1307 Monroe Apt 28 Dearborn Apts - Their office which is located on 26561 W 12 mile Rd - suite 205 Southfield MI 48034. Again covert tactics are their main tactics - The ACLU has a web page dedicated how they - Gang stalkers - use business for surveillance & informant needs - 26561 W 12 mile Rd x the Post office - 1-12-11
